President's Message

May is here and our National Meet in Knoxville is less than two months away. Make your plans to attend, and PLEASE register as soon as possible so we can have a good idea of how many to plan for. This also applies to the Regional Meets.

There have been reports of some Falcon vendors who are not conducting business in the proper manner, so we suggest that you do some checking before you make any large purchases. There is nothing the Falcon Club can do except stop them from advertising in our publication if we have several complaints.

Be sure to have your Falcons adequately covered by insurance before you start using them. There are some collector insurance companies out there that are very reasonable. They advertise in *Hemmings*, *Old Cars Weekly* and other car collector publications. Last year I heard of stolen Falcons, stolen parts and hail damage, all of which are a car lover's nightmare, but even worse if not covered adequately by insurance.

Chapter secretaries need to send a list of current officers to the national secretary and also to our editor. Also send chapter news to the editor so she can publish your functions.

Jim Hatcher
FCA President

NEWSFLASH!

Your response to Tech Tips (a list of articles from back issues of the *Falcon Bulletin and Quarterly*) that appeared in the April 1993 issue of *The Falcon Quarterly Bulletin* has been overwhelming! Our club treasurer Jim Throgmorton reports he has a full mailbox everyday, so please be patient if you haven't received an answer as yet.

In fact, we are looking into the feasibility of publishing all of these Tech Tips in one book. You'll be notified as soon as plans are finalized and costs known.

For now, please limit your requests to no more than eight pages of Tech Tips so that Jim can give better and faster service to everyone. And remember, when sending your request always enclose a large self-addressed stamped envelope.

Vice President's Message

Would you believe we have 190 Falcon's registered as of April 1st? I didn't really think so. We do have 27, which isn't bad for this early date. I still get depressed every afternoon when the mail box isn't stuffed with envelopes from all over the U.S. Saturday I received one from Glasgow, Scotland; talk about a surprise! Thank you, Mr. Leonard Small!

I have a plan that is workable but it requires some effort from all of you. The plan is to contact ALL Ford oriented magazines, including some that haven't learned how to spell FORD and inform them that 300+ of the world's finest Falcons will be nesting in Knoxville in August. We want all of them to send a photographer so a quantity of this magnitude will be a requirement to stimulate their interest. All you have to do is get in your registration today. I will personally contact every last one of them and maybe even fib a little to get them to attend. Think what a boon that would be to the FCA, all the feature articles this would generate, and continued interest in the Falcon as a very desirable car. Have you had your car in a magazine lately?

Chapter News

The **Northeast Chapter** recently held their winter banquet. Under discussion are plans for their 2nd Annual All Ford Show planned for June 27, 1993, in Auburn, MA.

The **Mile Hi Chapter** had a great response to the February potluck at Phil Long Ford. Numerous participants showed their cars at the Tri-State Auto Show at the Denver Convention Center in March, and again, a large turnout for our March meeting at O'Mera Ford. As of the end of March, we have 47 families joining the club from all over Colorado.

The **Gateway Chapter** has been meeting on the fourth Sunday at 3:00 p.m. at Shoney's Restaurant at Hwy. 270 and Dorsett Rd. At the March meeting we played our famous Falcon bingo. We are planning a progressive dinner at several members' homes for the April meeting. Starting in May the meeting time will return to 5:00 p.m. for the rest of the summer.

News from the **Suncoast Chapter** — Sorry we missed the April Falcon newsletter, but as they say, "better late than never." Are you interested in taking a vacation to Florida, especially around Disney World? Well, here is your chance. The Suncoast Chapter is finalizing their plans for their 3rd Regional Car Show to be held on May 13-15, 1993, near Disney World. Our car club is noted for putting on the "Ritz." If you haven't already made reservations, do it soon. We promise you will have a great time.

The **Mid America Chapter** held its March meeting at the Pizza Shoppe in Olathe, KS, and had 31 present with three Falcons driven to the meeting. Phil Warren, our treasurer, could not attend the meeting because he and his family were down under in Australia checking out the Falcons there. We are working hard on the Spring Regional in Kansas City that is going to be on June 18 and 19, 1993, at the Ramada Inn Southeast (I-435 and 87th St. Exit), Kansas City, MO. We hope to have a good time for everyone. The Lincoln-Mercury Club is sponsoring an All Ford Show June 20 at the same location, which makes it easy to take in both events. Our regular monthly meetings are held the first Friday of each month.

The **Keystone Chapter** shook the winter blues with its 5th Annual Spring Dinner in Quakertown, PA. There were 43 members in attendance. Following the dinner a meeting was held and discussion centered around the 1993 activities including the Eastern Regional Meet in September.

Editor's Note: Each chapter should appoint/elect a member to serve as reporter to send news about the chapter's activities to the editor either monthly or quarterly. I will be glad to print almost anything. Don't worry about spelling or anything like that; I'll correct the copy if it needs it. Just please send me more chapter news.
